### and special guest

**DJ Spooky that Subliminal Kid**

Photo: Tobin Poppenberg

**DJ Spooky**

DJ Spooky, aka Paul D. Miller, will present "Rhythm Science," a multi-media presentation of the history of digital art and media from the viewpoint of an artist who uses found objects and how DJ culture has evolved out of the same technologies used for digital media and art.

The third annual Spark festival takes place in the University of Minnesota's West Bank Arts Quarter, Minneapolis Campus
